CHOOSE SPINDLE STYLE:

Define your Style

Spindles are included in your box kit, and with our selection you will not be in want for a design that you love. When selecting your spindle consider your home, the space where the railing will be installed, and the style you hope to achieve.

FRANKLIN 1 1/2"

Elevate your style by adding a design to your spindle. The Franklin design is complete top to bottom with turned accents to achieve a traditional look. We also have some great newels and porch posts to match.

STANDARD 1 1/2" Square

Our standard vinyl spindles are square. They create a full and modern feel to your porch or deck. This style can be combined with any porch posts and newels to complete the look.

CARROLL 1 1/2"

This traditional design contains elements like the Franklin, but creates a simpler look by eliminating the turned accent in the middle.

CLASSIC 7/8" X 1 1/2"

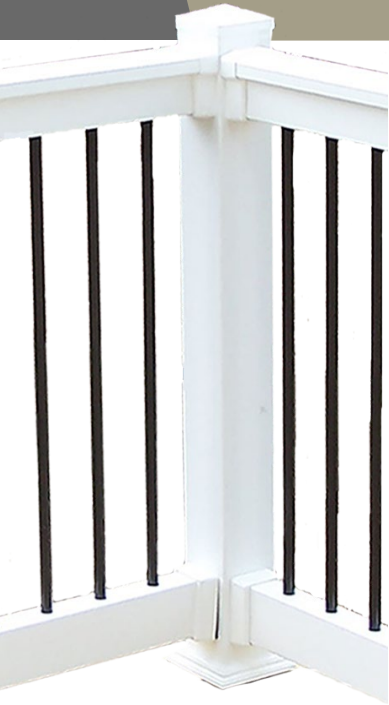

Achieve a simple look with this rectangular spindle. Ideal for small spaces, this slim design will give a simple, elegant feel to your porch or deck.

WARRINGTON 1 1/2"

This design incorporates unique turned accents on the top and bottom with two simple grooves at the center to create an original look.

Mix it up with Aluminum

Give your porch or deck a completely unique look with aluminum spindles. The contrasting materials and colors will create a bold and dynamic look for any style home. We customize your railing to match the spindles you choose, making it simpler for you to choose your favorite look.

HYBRID 3/4" Round

Our standard aluminum spindles are round and can be used for any porch or deck project. They can be coupled with a variety of newels and porch posts.

HYBRID NEWBERRY 3/4" Square

Choosing a square aluminum spindles will bring a more modern and open feel to your porch or deck. Pick from our selection of colors to match your house perfectly.

New!

HYBRID HOPEWELL 3/4" Turned

Add a touch of character with the Hybrid Hopewell style spindle. This turned aluminum design creates an appearance that is dynamic and unique.

Add a Touch of Character

Complete your railing sections with newels and porch posts. These designs will complement the spindles perfectly so you can either maintain a consistent look or mix and match styles as you choose.

Our porch posts and columns are reinforced with aluminum for added strength.
